Nancy Clairmont Carr is an engaging speaker, coach and transformation strategist who helps entrepreneurs and professionals create sustainable growth, profitability & impact. She shares conscious leadership principles and strategies, helping leaders apply them to transform their businesses.

With over 30 years of corporate executive and entrepreneurial experience, and coaching leaders to develop higher level consciousness for optimal decision making, Nancy empowers individuals to let go of the past and create the future they desire.

Nancy shares her thought leadership and practical experience with energy, conviction and connection. She is known for helping leaders in all industries transform their lives to create joy, abundance and sovereignty, through her coaching programs, speaking, teaching, and authorship provided by her business, **The Joy-Effect**. In Nancy's #1 Best Selling book, **Brilliant Breakthroughs Volume 2**, she expands her teaching that "Higher Consciousness Creates Higher Profitability."

---

*"Nancy's conferences and workshops were life changing. They helped me let go of versions of myself...that were holding me back from the life I had always envisioned, and the business I have now built." -Randi Maree*
