

Enlightened Leader Sunroom

Purpose:

Enlightened Leader Sunroom is a conscious community designed to serve entrepreneurs, business owners, and professionals who want to grow in consciousness, lead effectively, and optimize their growth and impact in a dynamic, energetically expanding environment.

The Sunroom community room provides members with opportunity to live out this purpose through idea sharing, engagement in discussion and connection with other conscious leaders.

We encourage you to contribute often and value your contributions. We also support reaching out to those with whom you resonate for networking, support, and collaboration, along with contributing to our Resource Room as inspired. Please be respectful of others' contributions and ensure your posts and responses are appropriate and support the purpose of the sunroom community.

Community Guidelines:

We are grateful you are a part of our Enlightened Leader Sunroom community! To ensure a safe, respectful, and supportive space for all, we ask that you follow these guidelines:

1. **Uplift Others** – Be kind, compassionate, and considerate in your words and actions. Treat everyone with respect, even when opinions differ.
2. **Keep it Conscious** – Please use respectful, win-win language for all content. Disrespectful language or treatment of others of any kind will not be allowed, and could cause membership cancellation. We want to encourage strong participation, avoid all judgment and provide a safe zone for optimal participation and growth.
3. **Contribute Generously** – We welcome your ideas, insights, and discussions that inspire, support, and uplift according to the purpose of the Sunroom community. Following these guidelines will ensure each member is free to contribute as they evolve on their consciousness journey.

***Thank you for being part of this
conscious community! Let's
support each other for optimal
growth and impact!***
